

keracorner™ CO

**KERACORNER** series comprises a complete series of corner profiles for the protection most exposed parts of the walls, with all kinds of covering. Mainly used in commercial and industrial areas where intense transit occurs, these profiles are available in different sizes, materials and finishes to meet all possible technical needs.

KERACORNER perfectly covers over chipped tiled corners and are supplied with self-adhesive glue strips with excellent hold which helps absorb shock impact.

Stainless steel and Brass Section

Aluminium Section

**KERACORNER CO 25 A11A Self-Adhesive Powder Coated Aluminium**

This corner profile is entirely varnished with a polyester powder coating. Being self-adhesive, it is ready to be fixed onto the corners of the wall. It covers a width of 25 mm and perfectly satisfies both technical and decor needs. Suitable for all kinds of environments included the domestic one
