

**CUBETEC** gives a straight and decorative finish, providing long lasting and heavy duty tile edge protection. The model **CUBETEC** is used with floor covering materials to provide decorative joints while protecting tile edges or to link to other materials, as well as frame for welcome mats. Available in Polished Stainless Steel AISI 304, in two different widths of the visible side. Vertical dovetail anchorage.

# cubetec™ CU-FI

Illustrated scale dimension 1:1
